-------------------	--------------

Essential Balance Facial

Rebalance excess oil and add hydration while controlling breakouts with our gently purifying facial treatment. This cleansing facial leaves your skin renewed after a deep cleansing, exfoliation, steaming and extraction of impurities. The treatment finishes with a calming mask and an application of products best suited for your skin, leaving your face looking balanced and refreshed.

<i>80 minutes</i>	<i>\$175</i>
-------------------	--------------

Renewed Radiance Facial

Reviving your skin's youthful texture, this treatment is a powerful anti-aging facial that boosts cell turnover, while firming and lifting mature skin. Powerful antioxidants and vitamins A, C and E promote circulation while improving your skin's texture and elasticity to resist premature aging to promote a more youthful appearance. 80-minute treatment includes LED light therapy mask.

Gentleman's Facial

This results-oriented facial deeply cleanses, hydrates and soothes irritated skin leaving your complexion instantly energized. The facial uses natural botanical nutrients at the highest level of purity and potency to create the most effective eco-friendly grooming system for men. Following exfoliation and steam, this treatment finishes with a face, scalp and neck massage.

<i>50 minutes</i>	<i>\$125</i>
-------------------	--------------

DermaClear Facial

Ideal for those acneic skin and congested pores, this treatment goes beyond the typical cleansing and purifying process. Using a high frequency machine to eradicate bacteria, this facial is highly beneficial in healing and calming the skin, as well as reducing inflammation. For maximum results, this treatment is recommended to be done in a series of 3 to 6 sessions. Ask your esthetician for more information.

<i>Series of 6 (per session)</i>	<i>\$175</i>
----------------------------------	--------------

Dermaplaning Facial

This skin care treatment removes dead skin cells and vellus hair, aka peach fuzz to leave your skin feeling smooth and supple. Your skin is gently exfoliating using a surgical sterile scalpel to remove unwanted hair. The benefits are instantaneous with no downtime. The service concludes with a beneficial cooling mask to remove redness. This procedure is recommended every 4 to six weeks depending on hair growth.

<i>50 minutes</i>	<i>\$125</i>
-------------------	--------------

Microdermabrasion Facial

One of the easiest and most effective anti-aging treatments, the Microdermabrasion facial softens fine lines, wrinkles and smooths coarsely textured skin damaged from the sun, acne, hyperpigmentation and the effects of premature aging. By gently buffing the skin, microdermabrasion makes it easier for serums and skin care products to penetrate deeper into the layers of the skin. Results include a skin texture that is brighter, smoother and rejuvenated. Add one of the Spa's many mild peels for optimal results.

<i>80 minutes</i>	<i>\$195</i>
-------------------	--------------

Deep Cleansing Back Facial

This soothing and clarifying back facial is the ideal preparation for beach weather, formals and weddings and helpful for skin congestion or hormone fluctuations. Designed to balance the skin's natural oils and draw out impurities, this treatment begins with deep cleansing and steam to open pores and lift impurities, followed by a gentle exfoliation

and clarifying mask. Leaves your back renewed and refreshed.

<i>50 minutes</i>	<i>\$110</i>
-------------------	--------------

Hydro-Dermabrasion Facial

The ultimate in resurfacing and fusion technology, this non-invasive facial provides cleansing, exfoliation, vortex extractions, and hydration. Suitable for all skin types, this facial integrates cutting edge ingredients such as antioxidants, peptides or hyaluronic acid to nourish your skin and create a uniquely customizable experience.

The 80-minute treatment includes the LED light therapy mask.

LED Light Therapy Mask

This professional mask not only uses LED light therapy to provide a multitude of skin rejuvenation treatments to the face and neck, but also incorporates the use of galvanic currents to further enhance results. This can be used with chemical peels, facials, microdermabrasion or as a treatment by itself.

- **Red LED:** Scientific studies and dermatologist agree that LED Red Light Therapy not only reduces inflammation, irritation, and redness but it also increases the production of collagen and elastin to give the skin a firm, more youthful appearance or;
- **Blue LED:** For those with acne-prone or oily skin, this gentle treatment targets the top layers of the skin to eliminate bacteria or;
- **Yellow LED:** Soothes, heals, and revitalizes the skin while reducing the redness associated with rosacea and improving the lymphatic flow to boost the immune system.
