

Referral Program

CAN YOU KEEP A SECRET? WE HOPE NOT!!

As one of our amazing clients, the referral of a friend, family member or colleague is an invaluable gift to our spa. To thank you for thinking of us, The Greenhouse Day Spa is pleased to offer the following savings when you share and they book a treatment. When you refer:

- One client, you'll receive **20%** off your next service;
- Two clients, you'll receive **30%** of a subsequent service;
- Three clients and receive **40%** of another service;
- Five clients or more and receive a **free** 50-minute service massage or facial.

The Greenhouse Day Spa Referral Program can not be combined with other spa offers, group discounts, Spa Bucks or Treat Points. All discounts must be applied to individual services and the referred client associated to the discount must have completed a treatment at the spa.
